

## Bow Tying 101 – [www.masterstrokecanada.com](http://www.masterstrokecanada.com)

- a) Hold the ribbon on the top centre of the gift box with a fish tail remaining long enough for one loop of the bow. Wrap the ribbon around the box, at the cross point turn the ribbon at a 90° angle.
- b) Wrap around the box bringing the ribbon back to the top of the box.
- c) Wrap the end of the ribbon over and under the result of (a+b) to form a cross.
- d) Tie the fish tails in either a loop bow or in a shoelace bow and garnish with trim. For added security, knot the ribbon prior to tying the bow.
